

Class Proposal

Teacher: Liz Sutter

Class Title: Knit Thrummed Mittens Off the Cuff

Class Description:

These super warm mittens will keep your hands warm in the coldest weather. Learn how to insert thrums- small pieces of roving - into your knitting to add warmth and color. We will knit both mittens at the same time on one long circular. Inserting an afterthought thumb will also be covered. We won't have time to complete the mittens but you will get to a point where you can comfortably finish them later.

Handouts:
