

## Class Proposal

**Teacher:** Liz Sutter

**Class Title:** Simple Crochet Mittens

### Class Description:

In this class we will explore how to crochet mittens to fit any size hand using any weight yarn using three simple stitches. We will discuss how to change the hook size and circumference of a mitten to fit any hand with any yarn. Great for hand-spun yarn or designer yarn. We will start mittens in an average woman's size using a worsted weight yarn and get to a point where you can easily finish later.

### Handouts:

Pattern for crochet mittens - woman medium size.

Basic crochet "how to's" for stitches used - single crochet, elongated single crochet and reverse single crochet stitches.

### Materials Needed:

- Size G or H crochet hook
- 100 grams of worsted weight yarn
- Basic crochet/knitting kit – stitch markers, scissors, paper and pencil, Chibi darning needle and tape measure

**Class Size Limit:** 10 students

**Materials Fee:** none

**Experience Level:** Beginner with knowledge of single crochet.
